Programme Outline

The MSc Clinical Science (Clinical Pharmaceutical Science) programme is a 3-year part time Masters that provides all of the academic content required for the Clinical Pharmaceutical Science Scientist Training Programme (STP). The degree is awarded by the University of Manchester although some modules are taught by the University of Salford.

Block release

Each module is structured into blocks of teaching so that it can be taught alongside the professional workplace training.

Timetable

The table opposite shows the content and timetable for the Clinical Pharmaceutical Science programme. Year 1 contains generic and introductory content and teaching is spread over six one week blocks of teaching in October 2014, November 2014, December 2014, January 2015 and February 2015. Years 2 and 3 contain more specialist, pathway specific modules.

Support

The programme is managed by Professor Chris Cutts (Programme Director), Ruth Barnes, (Programme Manager) and Dr Bev Ellis (Clinical Lead). You will be allocated a personal advisor who provides pastoral care and mentoring.

Travel and Transport

The majority of teaching will take place on the main campus of UoM which is within easy reach of main rail (Piccadilly Station / Salford Crescent) and motorway (M56, M6, M62) links.

Accommodation

University accommodation is scarce during the first semester so you will probably require private accommodation during your first year. MAHSE have a special rate with Atrium Apartments - further details about this and other suitable accommodation options are available on the MAHSE Moodle Forum.

MAHSE Moodle Forum

The online forum is for all trainees at Manchester and has further details about each programme. Registration details to access the forum will be given to all new trainees.
