

What is MAHSE?

MAHSE is a partnership between the University of Manchester (UoM), Manchester Metropolitan University (MMU) and the University of Salford (UoS), as well as leading Healthcare Scientists from partner NHS Trusts.

The purpose of MAHSE is to:

- Co-ordinate development of healthcare science programmes
- Support trainees and their supervisors on Manchester programmes
- Co-ordinate development of CPD opportunities for Healthcare Scientists
- Facilitate effective communication amongst key stakeholders in order to share good practice and stimulate innovation

Programme Outline

The MSc Clinical Science (Clinical Pharmaceutical Science) programme is a 3-year part time Masters that provides all of the academic content required for the Clinical Pharmaceutical Science Scientist Training Programme (STP). The degree is awarded by the University of Manchester although some modules are taught at King's College London and the University of Salford.

Block release

Each module is structured into blocks of teaching so that it can be taught alongside the professional workplace training.

Timetable

The table opposite shows the content and timetable for the Clinical Pharmaceutical Science programme. Year 1 contains generic and introductory content, teaching is spread over two days in September 2015 and five one week blocks of teaching in October 2015, December 2015, March 2016 and May 2016. Years 2 and 3 contain more specialist modules.

Year 1	
Modules: <ul style="list-style-type: none"> Professional Practice Introduction to Clinical Pharmaceutical Science 1 <ul style="list-style-type: none"> Regulation and Quality Assurance Introduction to Clinical Pharmaceutical Science 2 <ul style="list-style-type: none"> Radiopharmacy (London) Aseptics Manufacturing 	Teaching dates: <ul style="list-style-type: none"> 21 & 22 September 2015 05 to 09 October 2015 19 to 23 October 2015 One week blocks throughout the year: <ul style="list-style-type: none"> 08 to 11 December 2015 29 Feb to 04 March 2016 16 to 20 May 2016
Year 2	
Modules: <ul style="list-style-type: none"> Applied Pharmaceutical Science: <ul style="list-style-type: none"> Research Methods Production Quality Control 	Teaching dates: <ul style="list-style-type: none"> One week blocks throughout the year: <ul style="list-style-type: none"> Sept-Oct November December
Year 3	
Modules: <ul style="list-style-type: none"> Advanced Pharmaceutical Science <ul style="list-style-type: none"> Radiopharmacy 2 (London) Aseptic dispensing and preparation 	Teaching dates: <ul style="list-style-type: none"> One week blocks throughout the year: <ul style="list-style-type: none"> Feb-Mar April (King's)

Support

The programme is managed by Professor Chris Cutts (Programme Director), Ruth Barnes, (Programme Manager) and Dr Bev Ellis (Clinical Lead). You will be allocated a personal advisor who provides pastoral care and mentoring.

Travel and Transport

The majority of teaching will take place on the main campus of UoM which is within easy reach of main rail (Piccadilly Station / Salford Crescent) and motorway (M56, M6, M62) links.

Accommodation

University accommodation is scarce during the first semester so you will probably require private accommodation during your first year. MAHSE have a special rate with Atrium Apartments - further details about this and other suitable accommodation options are available on the MAHSE Moodle Forum.

MAHSE Moodle Forum

The online forum is for all trainees at Manchester and has further details about each programme. Registration details to access the forum will be given to all new trainees.

Contact Us

If you have any general queries, please contact MAHSE (details overleaf).
