Programme Outline

The MSc Clinical Science (Clinical Pharmaceutical Science) programme is a 3-year part time Masters that provides all of the academic content required for the Clinical Pharmaceutical Science Scientist Training Programme (STP). The degree is awarded by the University of Manchester although some modules are taught by King's College London.

Block release

Each module is structured into blocks of teaching so that it can be taught alongside the professional workplace training.

Timetable

The table opposite shows the content and timetable for the Clinical Pharmaceutical Science programme. Year 1 contains generic and introductory content and teaching is spread over **two days in September 2016** and **five one week blocks of teaching in October 2016, December 2016, March 2017, May 2017**. Years 2 and 3 contain more specialist, pathway specific modules.

Support

The programme is managed by [Ruth Barnes](#), (Programme Director) and [Dr Bev Ellis](#) (Clinical Lead). You will be allocated a personal advisor who provides pastoral care and mentoring.

Travel and Transport

Teaching will take place at; Chancellors Conference centre, Manchester, main campus of UoM and King's College, London. All are close to major road, rail and air links.

Accommodation

University accommodation is scarce during the first semester so you will probably require private accommodation during your first year. MAHSE has a special rate with Atrium Apartments - further details about this and other suitable accommodation options are available on the MAHSE Moodle Forum.

MAHSE Moodle Forum

The online forum is for all trainees at Manchester and has further details about each programme. Registration details to access the forum will be given to all new trainees.
