

What is MAHSE?

MAHSE is a partnership between the University of Manchester (UoM), Manchester Metropolitan University (ManMet) and the University of Salford (UoS), as well as leading Healthcare Scientists from partner Trusts.

The purpose of MAHSE is to:

- Co-ordinate development of healthcare science programmes
- Support trainees and their supervisors on Manchester programmes
- Co-ordinate development of CPD opportunities for Healthcare Scientists
- Facilitate effective communication amongst key stakeholders in order to share good practice and stimulate innovation

Programme Outline

The MSc Clinical Science (CCVRS Sciences) programme is a 3-year part time Masters that provides all of the academic content required for the Cardiac and Respiratory and Sleep Sciences Scientist Training Programme (STP).

Block release

Each module is structured into blocks of teaching in order to be incorporated alongside the professional workplace training.

Timetable

The table opposite shows the content and timetable for the two pathways delivered by the University. Year 1 contains generic and introductory content undertaken by all pathways and has been scheduled to take place from **Monday 2 October until Friday 10 November 2017**. Years 2 and 3 contain more specialist, pathway specific modules. All degrees are awarded by Manchester Metropolitan University.

Year 1	Year 2	Year 3
All Pathways: Modules 6 weeks Oct-Nov * Introduction to Healthcare Science, Professional Practice and Clinical Leadership * Introduction to CCVRS	Specialisms:	
	Cardiac Science	
	Modules 3 weeks in September <ul style="list-style-type: none"> Diagnostic approaches and current treatment of cardiovascular disorders 	Modules 3 weeks Sept-Oct <ul style="list-style-type: none"> Diagnosis and management of cardiac rhythm disorders OR Ultrasound imaging in cardiac disease
	Respiratory and Sleep Science	
	Modules 3 weeks in September <ul style="list-style-type: none"> Respiratory and Sleep Science 1 	Modules 3 weeks in Sept-Oct <ul style="list-style-type: none"> Respiratory and Sleep Science 2
All Pathways: Research Methods (Year 2) Research Project (Years 2/3)		

Support

Programme Director: **Martin Stout**
 (Cardiac Science and Respiratory/Sleep Science)
 You will be allocated a personal advisor who provides pastoral care and mentoring.

Travel and Transport

Teaching takes place on the main ManMet and UoS campuses as well as local NHS teaching hospitals. The sites are within easy reach of rail, road and airport links.

Accommodation

University accommodation is scarce during the first semester so you will probably require private accommodation during your first year. Details about suitable accommodation options are available on the MAHSE portal. Access to the MAHSE portal will be given to all new trainees.
