Module Titles

Typically, trainees attend 1-2 days face-to-face teaching per 10 credit taught academic module for Sections A and B. This is usually full days (09:00 – 17:00) of face-to-face teaching at The University of Manchester/Manchester Metropolitan University.

Section A: Leadership and Professional Development (120 credits)

All Clinical Scientists doing HSST will complete these generic units together at the Manchester Business School, University of Manchester (UoM). Those students who are not completing the full professional doctorate could exit, after completing these modules, with a Postgraduate Diploma in Leadership and Management in the Healthcare Sciences.
